

Annual Christmas Food Bank Donation

In lieu of Secret Santa The Doctors Silverstream have made another donation to The Upper Hutt Food Bank. This was something we decided to do last year to help our community which was such a rewarding experience.

Big thanks to the team for getting involved and to our lovely Sharon Skelton for organising this once again.

The Upper Hutt Food Bank provides emergency food/essential item parcels to people and families that are in financial hardship in the Upper Hutt/Stokes Valley area.

There are certain requirements that people need to meet to receive a parcel. Everyone wishing to receive a parcel will go through a short interview process and need to supply some information for The Food Bank to determine eligibility. For more information or to donate please visit <https://upperhuttfoodbank.co.nz/>
