

## Our Doors are now open!

Silverstream Health Centre are pleased to announce our doors are open, however due to government advice we do ask that patients continue to wear a mask.

If you have any cold or flu symptoms please advise our reception when booking or if you have developed symptoms since booking your appointment. We will be continuing the current practice of asking you to wait in your vehicle if you have symptoms around the ambulance bay or to wait at the back door by the ambulance bay. Our clinicians will ring you and assess where you will receive treatment. This will be reviewed at the end of this month.

As per Health and Safety requirements, our doors will be closed after 5pm, please use the intercom on arrival.
