

Staff Shortages.

We are currently very understaffed due to sickness.

This has resulted in appointments having to be rescheduled and clinics having to be closed down. We apologise for the inconvenience caused and we understand this isn't an ideal situation to be in.

We are doing the best we can under these circumstances. We appreciate your understanding and patience during these trying times.

We would like to remind patients that Practice Plus is available. Practise Plus is a separate option that may offer a solution, Monday – Friday 5pm-10pm, weekends and public holidays 8am – 8pm.

If you are feeling unwell or need After Hours assistance, you can have a virtual video consultation. You can access this through our website or by clicking on this link -

Fees If you have a community services card, the charges are the same as if you were coming to the Doctor, so a lot cheaper than going to After Hours. Unfortunately, due to Practice Plus getting no government funding, there is a charge for children.

- 14 and over \$65
- 13 and under \$55
- CSC card holder \$19.50
