Motueka, the lifestyle location

It's a sun kissed, vibrant small town, with friendly, welcoming people and roadside berry stalls to indulge in during the summer months. It has a lively café culture and abundance of local craft breweries.

The town centre and the Motueka Sunday Market are a showcase of the talented artists and artisans in the region, with boutique stores, craft stalls, food carts, cafes and restaurants serving artisan, local products, and local produce.

Motueka attracts people with ideas and talent who create clever businesses here, and they love to share what they have created with visitors.

It has a lively café culture (with a strong focus on great food and sustainability) and an abundance

of businesses focused on helping everyone enjoy and cherish the beautiful Motueka environment. In fact, the people of Motueka take their role as guardians of this beautiful place seriously. They're hoping to become New Zealand's first disposable cup free town – just ask for your CupCycling™ cup!

Motueka is perfect for growing a wide variety of crops. Over the harvest months, it's a busy place with seasonal fruitpicking labour which swells population.

Testimonial
Dr Meike Elferink

“I moved to New Zealand in 2018 from the Netherlands. My team members at the practice are so friendly and easy to work with, and were so welcoming to me when joining the team. My family and I enjoy the pace and quality of life that New Zealand offers, and we all feel really settled and at home here.”

The Doctors Motueka

The medical centre

It's in the heart of the community, with a supportive and hardworking team, and an interesting rural caseload.

At The Doctors Motueka the staff and local people are friendly, it's an easy place to get to know one another. It has a rural contract and provides general practice care to Motueka and the surrounding areas, supporting an enrolled population of over 4,800 patients.

Doctors look to New Zealand for a change of pace, better employment options, temperate climate, and access to unspoilt landscapes. Living and working here offers a truly healthy work-life-family balance. It's a great environment to bring up kids alongside career goals and progression.
